

Top Moving Tips

1. Pack Essentials Separately

Find a distinctive box / container for the tea, coffee, kettle, mugs, and snacks etc

2. Think First

Try not to put too many heavy items into one box. Don't mix heavy and fragile items.

3. Plan Ahead

Mark dismantled furniture parts with a pencil to identify them. Put all screws etc into a small container or sturdy bag.

Plan meals to use up freezer contents

4. Colour Coding

Use colour coded labels to quickly identify which rooms boxes should be placed in

5. Personal Box

Pack a box including pens, list of contacts, phone chargers and light bulbs.

6. Overnight Bag

Toothbrushes
Clean Clothes
Towels
Bed Linen
Toilet Rolls

7. Hazardous Materials

Pack hazardous materials in appropriate containers and dispose of any that can't be transported

8. Labelling Boxes

Ensure all boxes are labelled with the room they belong in

9. Be Organised

Ensure essential items are loaded onto the van last so they are easily accessible

10. Pets & Plants

Plan pet and plant transportation in advance. Discuss any special requirements or worries with your removal company
